Section D: Repayment Plan Selection

To understand your repayment plan options, carefully read the repayment plan information in the Borrower's Rights and Responsibilities Statement on pages 5-8 of this Note and in any supplemental materials you receive with this Note. Then select a repayment plan for your Direct Consolidation Loan by completing the Repayment Plan Selection form that accompanies this Note.

- If you select the Income Contingent Repayment (ICR) Plan or the Income-Based Repayment (IBR) Plan, you must also complete additional forms and/or provide additional documentation as explained on the Repayment Plan Selection form. Your selection of the ICR Plan or IBR Plan cannot be processed without the required additional forms or documentation.
- You must select the ICR Plan or the IBR Plan for repayment of your Direct Consolidation Loan if (1) you want to consolidate a defaulted loan(s) and you have not made a satisfactory repayment arrangement with your current loan holder(s); or (2) you are consolidating a delinquent Federal Consolidation Loan that the lender has submitted to the guaranty agency for default aversion, and you are not consolidating any additional eligible loans.

Borrower's Name (please print) Bradley W HeldSocial Security Number 259-57-0802**Section E: Borrower Understandings, Certifications, and Authorizations**

22. I understand that:

- A. My Direct Consolidation Loan will, to the extent used to pay off loans made under the Federal Family Education Loan (FFEL), Direct Loan, and Federal Perkins Loan (Perkins Loan) programs, count against the applicable aggregate loan limits under the Act. The term "the Act" is defined under "Governing Law" on page 4 of this Note.
- B. The amount of my Direct Consolidation Loan is the sum of the balances of my outstanding eligible loans that I have chosen to consolidate. My outstanding balance on each loan to be consolidated includes unpaid principal, unpaid accrued interest and late charges as defined by federal regulations and as certified by the loan holder. Collection costs may also be included. For a Direct Loan Program or FFEL Program loan that is in default, the amount of any collection costs that may be included in the payoff balances of the loans is limited to a maximum of 18.5% of the outstanding principal and interest. For any other defaulted federal education loans, all collection costs that are owed may be included in the payoff balances of the loans.
- C. Applying for a Direct Consolidation Loan does not obligate me to agree to take the Direct Consolidation Loan. The U.S. Department of Education (ED) will provide me with: (1) a notice containing information about the loans and payoff amounts that ED has verified with the holders of my loans or through ED's National Student Loan Data System (NSLDS) before the actual payoffs occur; and (2) the deadline by which I must notify ED if I want to cancel the Direct Consolidation Loan, or if I do not want to consolidate any of the loans that ED has verified. The notice that ED sends will include information about loans eligible for consolidation that I listed in Section C1 of this Note ("Education Loan Indebtedness - Loans You Want to Consolidate"). It may also include information about additional loans eligible for consolidation that I did not list in Section C1, if I have additional eligible loans with a holder of a loan listed in Section C1. If I do not inform ED otherwise by the deadline specified in the notice that ED sends to me, all of the loans listed in the notice will be consolidated.
- D. If the amount ED sends to my loan holders is more than the amount needed to pay off the balances of the selected loans, the holders will refund the excess amount to ED and this excess amount will be applied against the outstanding balance of my Direct Consolidation Loan. If the amount that ED sends to my holders is less than the amount needed to pay off the balances of the loans selected for consolidation, ED will include the remaining amount in my Direct Consolidation Loan.
- E. Unless I am: (1) consolidating a delinquent Federal Consolidation Loan that the lender has submitted to the guaranty agency for default aversion; (2) consolidating a defaulted Federal Consolidation Loan; (3) consolidating a Federal Consolidation Loan to use the Public Service Loan Forgiveness Program; or (4) consolidating a Federal Consolidation Loan to use the no accrual of interest benefit for active duty service members, I may consolidate an existing Federal Consolidation Loan or Direct Consolidation Loan only if I include at least one additional eligible loan in the consolidation.
- F. If I am consolidating a delinquent Federal Consolidation Loan that the lender has submitted to the guaranty agency for default aversion or a defaulted Federal Consolidation loan, and I am not including another eligible loan, I must agree to repay my Direct Consolidation Loan under the ICR Plan or the IBR Plan.
- G. If I consolidate my loans, I may no longer be eligible for certain deferments, subsidized deferment periods, certain types of loan discharges or loan forgiveness, or reduced interest rates that were available on the loans I am consolidating.
- H. Any payments made prior to the date of consolidation on the loans I am consolidating will not count toward (1) the 25 years of repayment required for loan forgiveness under the IBR Plan or the ICR Plan (see Item 10 of the Borrower's Rights and Responsibilities Statement in this Note), or (2) the 120 qualifying payments required for Public Service Loan Forgiveness (see Item 17 of the Borrower's Rights and Responsibilities Statement).
- I. If I am consolidating a Perkins Loan: (1) I will no longer be eligible for interest-free periods while I am enrolled in school at least half time, in the grace period on my loan, and during deferment periods; and (2) I will no longer be eligible for full or partial loan cancellation under the Perkins Loan Program based on years of service in one of the following occupations: teacher in a low-income elementary or secondary school; staff member in a eligible preschool program; special education teacher; member of the Armed Forces who qualifies for special pay; Peace Corps volunteer or volunteer under the Domestic Volunteer Service Act of 1973; law enforcement or corrections officer; attorney in an eligible defender organization; teacher of mathematics, science, foreign languages, bilingual education or any other high-need field; nurse or medical technician providing health care services; employee of a public or private nonprofit child or family service agency that services high-risk children from low-income families and their families; fire fighter; faculty member at a Tribal College or University; librarian; or speech language pathologist.
- J. If I am consolidating a Direct PLUS Loan or a Federal PLUS Loan that I obtained to help pay for my dependent child's undergraduate education, I will not be eligible to repay my Direct Consolidation Loan under the IBR Plan. However, I may repay my Direct Consolidation Loan under the ICR Plan.
- K. If I am consolidating any Direct Loan Program loans on which I received an up-front interest rebate, and I have not yet made the first 12 required on-time payments on those loans at the time the loans are consolidated, I must make the first 12 required monthly payments on my Direct Consolidation Loan on time to keep the interest rebate (see Item 9 of the Borrower's Rights and Responsibilities Statement).

23. Under penalty of perjury, I certify that:

- A. The information that I have provided on this Note is true, complete, and correct to the best of my knowledge and belief and is made in good faith.
- B. All of the loans selected for consolidation have been used to finance my education or the education of my dependent child(ren).
- C. All of the loans selected for consolidation are in a grace period or in repayment ("in repayment" includes loans in deferment or forbearance).
- D. If I owe an overpayment on a Federal Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent (SMART) Grant, or Leveraging Educational Assistance Partnership Grant, I have made satisfactory arrangements with the holder to repay the amount owed.
- E. If I am in default on any loan I am consolidating (except as provided above in Item 22.F.), I have either made a satisfactory repayment arrangement with the holder of that defaulted loan, or I will repay my Direct Consolidation Loan under the ICR Plan or the IBR Plan.
- F. If I have been convicted of, or pled *nolo contendere* or guilty to, a crime involving fraud in obtaining federal student aid funds under the Act, I have completed the repayment of those funds to ED, or to the loan holder in the case of a Title IV federal student loan.

24. I make the following authorizations:

- A. I authorize ED to contact the holders of the loans selected for consolidation to determine the eligibility for consolidation and the payoff amounts of the loans listed in Section C1 of this Note and any of my other federal education loans that are held by a holder of a loan listed in Section C1. I further authorize release to ED or its agent of any information required to consolidate my education loans in accordance with the Act.
- B. I authorize ED to issue the proceeds of my Direct Consolidation Loan to the holders of the selected loans to pay off the debts.
- C. I authorize ED to investigate my credit record and report information about my loan status to persons and organizations permitted by law to receive that information.
- D. I authorize my school(s) and ED to release information about my Direct Consolidation Loan to the references on the loan and to members of my immediate family, unless I submit written directions otherwise.
- E. I authorize my school(s), ED, or their agents to verify my Social Security Number with the Social Security Administration (SSA) and, if the number on my loan record is incorrect, then I authorize SSA to disclose my correct Social Security Number to these parties.
- F. I authorize my schools, ED, and their respective agents and contractors to contact me regarding my loan request or my loan, including repayment of my loan, at the current or any future number that I provide for my cellular telephone or other wireless device using automated dialing equipment or artificial or prerecorded voice or text messages.

Section F: Promissory Note (continued on page 4) - to be completed and signed by the borrower.

25. **Promise to Pay.** I promise to pay to the ED all sums disbursed under the terms of this Note to pay off my prior loan obligations, plus interest and other charges and fees that may become due as provided in this Note. Unless I make interest payments, interest that accrues on my loan during forbearance periods and on the unsubsidized portion of my loan during deferment periods may be added, as provided under the Act, to the principal balance of my loan. If I do not make payments on this Note when due, I will also pay reasonable collection costs, including but not limited to attorney's fees, court costs, and other fees.

If ED accepts my application, I understand that ED will send funds to the holders of the loans that I want to consolidate to pay off those loans. I further understand that the amount of my Direct Consolidation Loan will equal the sum of the payoff balances on the loans selected for consolidation. My signature on this Note serves as my authorization to pay off the balances of the loans selected for consolidation as provided by the holders of the loans.

The payoff amount may be greater than or less than the estimated total balance I have indicated in Section C1. Further, I understand that if any collection costs are owed on the loans selected for consolidation, these costs may be added to the principal balance of my Direct Consolidation Loan.

I will not sign this Note before reading the entire Note, even if I am told not to read it. I am entitled to an exact copy of this Note and the Borrower's Rights and Responsibilities Statement. My signature certifies that I have read, understand, and agree to the terms and conditions of this Note, including the Borrower Understandings, Certifications, and Authorizations in Section E, and the Borrower's Rights and Responsibilities Statement.

I UNDERSTAND THAT THIS IS A LOAN THAT I MUST REPAY.

Instructions

To understand your repayment options, carefully read this entire form, including the important notices in Section 7, and the enclosed information that describes the available repayment plans. After reviewing this information, complete the applicable sections below to select a repayment plan or to change your current repayment plan. Please print clearly using blue or black ink. If you need help completing this form, contact your servicer through one of the methods provided in Section 6 of this form. Return the completed form to the address shown in Section 6.

Section 1: Borrower Information – to be completed by ALL BORROWERS

Borrower's Last Name Held First Name Bradley Middle Initial W Borrower's Social Security Number:

Section 2: Repayment Plan Selection – to be completed by ALL BORROWERS

- Place an "X" in the box in the chart below under the repayment plan that you wish to select for the types of loans that you owe. The enclosed information describes each of the repayment plans.
- You must choose the same repayment plan for all of your Direct Loans, unless you want to repay under the Income Contingent Repayment (ICR) Plan or Income-Based Repayment (IBR) Plan and you have some loans that may not be repaid under those plans as indicated in the chart below. In this case, you may select the ICR Plan or IBR Plan for the loans that are eligible for repayment under those plans, and may select a different repayment plan for the loans that may not be repaid under ICR or IBR.
- In the chart below, the term "parent PLUS Loan" refers to a Direct PLUS Loan made under the William D. Ford Federal Direct Loan (Direct Loan) Program or a Federal PLUS Loan made under the Federal Family Education Loan (FFEL) Program that you borrowed to help pay for your dependent child's undergraduate education. A "student PLUS Loan" is a Direct PLUS Loan or Federal PLUS Loan that you received to pay for your own graduate or professional education. A Direct PLUS Consolidation Loan is a Direct Consolidation Loan made before July 1, 2006 that repaid parent PLUS loans. No Direct PLUS Consolidation Loans have been made since July 1, 2006.
- To repay your loans under the IBR Plan, you must have a partial financial hardship (see Section 5).
- If you are beginning repayment of your loans for the first time and you do not select a repayment plan, or if you select the ICR Plan or IBR Plan but do not submit required additional forms and documentation, you will be placed on the Standard Repayment Plan.
- If you are requesting a change from another repayment plan to the ICR Plan or the IBR Plan and you do not submit required additional forms and documentation, you will remain on your current repayment plan.
- If you are requesting a change from your current repayment plan to a different plan, your servicer may grant you a forbearance for up to 60 days, if necessary, in order to collect and process documentation supporting your request (such as documentation required to process a request to repay under the ICR Plan or the IBR Plan). Unpaid interest that accrues during this maximum 60-day forbearance period will not be capitalized. (Capitalization is the addition of unpaid interest to the principal balance of your loan. This increases the principal balance and the total cost of your loan.)
- If you are delinquent in making payments under your current repayment plan at the time you request a change to a different plan, your servicer may grant you a forbearance to cover (1) any payments that are overdue at the time of your request, or (2) if you are requesting a change to the IBR Plan, any payments that would be overdue by the time your servicer determines whether you have a partial financial hardship (see Section 5), if it takes your servicer more than 60 days to make that determination. Unpaid interest that accrues during this forbearance period may be capitalized at the end of the forbearance period.

Section 4: Additional ICR Information – to be completed by BORROWERS WHO SELECT THE INCOME CONTINGENT REPAYMENT PLAN

Complete this section only if you are selecting the ICR Plan.

Note: To repay under the ICR Plan, you must complete a consent form authorizing the Internal Revenue Service to disclose your adjusted gross income (AGI) and other tax return information, or you must provide other documentation of your AGI, such as a copy of your most recently filed federal income tax return, as specified by your servicer in documentation accompanying this form. In some cases, you may also be required to complete an ICR & IBR Plan Alternative Documentation of Income form. Your servicer will include the required additional forms with this Repayment Plan Selection form or will provide instructions for obtaining the forms. Complete and return the required form(s) or other required documentation along with this Repayment Plan Selection form.

Until your servicer receives the information needed to calculate your ICR Plan payment amount, your initial payment amount will be the full amount of interest that accumulates on your loan each month. If you are beginning repayment of your Direct Loan for the first time and you cannot afford the initial interest payment, you may request a forbearance until you are notified of your actual ICR payment. During a forbearance you are not required to make any payments of principal or interest, but interest continues to accumulate on your loan. Interest that you do not pay during this forbearance period will be capitalized at the end of the forbearance. To request a forbearance, contact your servicer.

- A. Family Size.** Enter your family size on the line below. Your family size includes you and your spouse. It includes your children if they get more than half their support from you. It includes other people only if (1) they now live with you, and (2) they now get more than half their support from you and they will continue to get this support from you. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, payment of college costs, etc. If your family size changes, notify your servicer in writing at the mailing address or the Web site address shown in Section 6.

Family Size: 2

- B. ICR Joint Repayment Option.** If you and your spouse each have Direct Loans and both of you want to repay the loans under the ICR Plan, you may choose to repay your loans jointly (see ICR Plan description in the enclosed Repayment Plan Choices sheet). If you choose to repay jointly, place an "X" in the box below and have your spouse sign and date this form.

Complete this section only if you are selecting the IBR Plan.

To initially qualify to repay your loans under the IBR Plan and to continue to make income-based payments, you must have a **partial financial hardship**. You are considered to have a partial financial hardship if the annual amount due on all of your eligible loans or, if you are married and file a joint federal income tax return, the annual amount due on all of your eligible loans and your spouse's eligible loans, is more than 15% of the difference between your adjusted gross income (AGI), as shown on your most recently filed federal income tax return, and 150% of the poverty guideline amount for your family size and state of residence:

Annual amount of payments due > 15% [AGI – (150% x applicable poverty guideline amount)]

The annual amount of payments due is calculated based on the greater of (1) the total amount owed on eligible loans at the time those loans initially entered repayment or (2) the total amount owed on eligible loans at the time you or, if applicable, your spouse requested the IBR Plan. The annual amount of payments due is calculated using a Standard Repayment Plan with a 10-year repayment period. The amount owed on eligible loans includes the amount owed on your eligible loans and, if you are married and file a joint federal income tax return, the amount owed on your spouse's eligible loans. Eligible loans for the IBR Plan are listed in "B", below. If you are married and file a joint federal income tax return, your AGI includes both your income and your spouse's income. Your spouse must sign below if you file a joint federal income tax return and if your spouse also has loans that are eligible for repayment under the IBR Plan; by signing this form, your spouse is authorizing your servicer to access information about his or her federal student loans in the National Student Loan Data System (NSLDS).

An IBR Plan calculator is available at studentaid.ed.gov. The calculator evaluates your eligibility for the IBR Plan and estimates your initial IBR Plan payment amount. To use the calculator, you will need to enter your eligible loan debt, income, family size, and state of residence. The calculator is for informational purposes only; your servicer will make the official determination of your eligibility and payment amount based on the information you provide on this form and other required documentation.

To enroll in the IBR Plan, you must complete a consent form authorizing the Internal Revenue Service to disclose your AGI and other tax return information, or you must provide other documentation of your AGI, such as a copy of your most recently filed federal income tax return, as specified by your servicer in documentation accompanying this form. In some cases, you may also be required to complete an ICR & IBR Plan Alternative Documentation of Income form. Your servicer will include the required additional forms with this Repayment Plan Selection form or will provide instructions for obtaining the forms. Complete and return the required form(s) and/or other required documentation along with this Repayment Plan Selection form.

A. Family Size. Enter your family size on the line below. Your family size includes you, your spouse, and your children, including children who will be born during the year you certify your family size, if your children receive more than half their support from you. Your family size also includes other individuals if, at the time you certify your family size, these other individuals (1) live with you and (2) receive more than half of their support from you and will continue to receive this support for the year you certify your family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs. If you select IBR, you must notify us of your family size every year. Your servicer will contact you annually to confirm and update family size information.

Family Size: 2 NOTE: If you do not provide your family size, your servicer will assume a family size of one.

If you have any questions regarding the IBR Plan, partial financial hardship, or your family size determination, please contact your servicer.

B. Eligible Loans for the IBR Plan.

- All Direct Loan Program loans are eligible except (1) a loan that is in default, (2) a Direct PLUS Loan made to a parent borrower, (3) a Direct Consolidation Loan that repaid a Federal PLUS Loan or Direct PLUS Loan made to a parent borrower, or (4) a Direct PLUS Consolidation Loan.

Federal Perkins Loans, HEAL loans or other health education loans, and private education loans are not eligible for the IBR plan. To access information on your eligible loans, check NSLDS at www.nslds.ed.gov.

☐ Check this box if (1) you have eligible FFEL Program loans in addition to your eligible Direct Loan Program loans, or (2) you are married and file a joint federal income tax return, and your spouse has eligible Direct Loan or FFEL Program loans. NOTE: Including your spouse's eligible loans will result in a lower monthly IBR Plan payment amount.

C. IBR Joint Consolidation Loan Repayment. If you and your spouse have an eligible joint consolidation loan that you and your spouse want to repay under the IBR Plan, place an "X" in the box below and have your spouse sign and date below in "D".
